Who we are

Hello, we're Senior Junior!

We are a full-service accounting firm for small business owners. Fully implementing cloud accounting to simplify your process and secure your data.

Our modern accounting firm based in Brisbane runs a little differently to the rest.

We speak your language, care more about where you're going and are here to help your business make your money and your life less stressful.

Who we help

At [Senior Junior](#) our speciality is helping small business owners who need professional business advice, business accounting and taxation services

How we help

Free up your time

You can wave goodbye to tedious, time-consuming accounting chores with automated bank reconciliations, invoice reminders and more!

Make more money (and keep more in your pocket)

We'll help you understand where you're making money and what you can do to make more of it, implement strategies to reduce tax and fix cash flow issues.

Streamline your systems

No more expensive software, upgrades and backup solutions, we work with savvy cloud tools that help you save time and reduce stress.

Smart business decisions

Our advisors will help you drive your business success by showing you what your numbers really mean. We'll help manage your cash flow, tax planning and growth goals. To put it simply, we care about where you're going!

We love Cloud Accounting!

All your finances, in one place. Beautiful reports and dashboards that are automatically updated. Easy to connect your bank accounts and credit cards. Simple to create registered users and send invoices. Real-time data sync across all your devices. Why would you use anything else?

Our cloud accounting system is completely web-based. It's simple, secure, and affordable. Whether you're an expert or novice with accounting software, it is useful to everyone, not just accountants.

Here, you can automate everything and get all your business info in one place. We made accounting simple, so you can do what you're good at – running your business.

Our services

Bookkeeping

We tailor our bookkeeping services to meet your needs. We'll do the back-end bookkeeping and make sure everything is under control with the ATO, so you can focus on the operational side of your business.

Taxation

Our tax accountants make it easy for you to stay in compliance with Australian tax laws. We offer personal assistance and free initial consultations. Regardless of where you live, we're here to help.

Business Advice

We are committed to building a strategic, realistic and adaptable business plan for your company. During this process, we can help spot areas of weakness that could prove harmful and suggest practical solutions.

“They are extremely fast, accurate and they really know what they are doing. We are using them again this year for our accounting needs. If anyone needs help with their books, I would definitely recommend them.”

– Brian Baumgartner, GoodBusiness Inc.

Xero is easy to use and easy to love! Using this smart online tool means up-to-date information for our clients so we can give you reliable advice.

Vend is simple point-of-sale software for clever stores. It's online, like Xero, so there is nothing to install and you can use it from anywhere.

Dext converts annoying bits of paper like receipts and invoices into useful Xero data.
